

Yan Oi Tong Chan Cheng Yuk Yee Kindergarten

School Year: 2024/25

Grade: K3

Activity Name: Hong Kong Family Outings in Hong Kong (Aberdeen Fishing Village Tour)

Activity Objectives:

1. To learn about the Aberdeen fishing port and the homes of the Tanka people.
2. To appreciate the landmarks along the coast, sample the local snack “Boat Noodles,” and experience the unique fishing village charm.

Activity Overview and Record:

Through the guide on the boat, the children learned about the history and places of the Aberdeen fishing village, such as Hong Kong’s largest fish market, the former shipyard, and the iconic Floating Restaurant. The children also visited a “drying boat,” where the Tanka people used to live, to understand their living habits and activities on the boat, personally experiencing the Tanka culture. Finally, the children tasted the local “Boat Noodles,” with one exclaiming, “This is my first time eating noodles on a boat, and it’s so delicious!” Parents and children spent a happy and memorable family activity together, thoroughly enjoying the trip.
