Activity Overview and Record:

Our school organises a series of activities, including family visits to the Lunar New Year market, a parent-led calligraphy activity, and a Lunar New Year celebration event, to help children learn about traditional Lunar New Year customs. During the celebration, various interactive activities are set up, presenting Chinese traditional culture in the form of games. Through the different game stalls, children can strengthen their understanding of various traditional customs and learn about their significance. On the day of the event, elderly family members are invited to volunteer, allowing parents to participate in the celebration as well. Everyone shares a reunion meal together, making the event particularly meaningful.
